February 03, 2017

## This Week

**SUCSESSES** We had a great Catholic Schools Week with our students showing appreciation and pride in attending Our Lady of Mount Carmel School through events on and off campus. Also, the class did a great job on the Ten Commandments test.

**OPPORTUNITIES FOR GROWTH** Mrs. Simolon had to address every class regarding misbehavior and disrespecting school property in the boys' bathroom. Bathroom use will be limited to before school, at morning and lunch recesses, and after school. Also, Mrs. Rightmer and Mrs. Solano have noted that students are coming to math class unprepared. No student should have to borrow pencils, erasers, or paper. Please check to see if you need to restock any supplies.

**ALPHA RESOURCE CENTER** As part of our Day of Service, the Middle School students traveled to the Alpha Resource Center. Thank yous to Teri Green, Nancy Coglizer, Renee Saglie, and Brian Simolon for chaperoning and encouraging the students to be assertive, inclusive of all, and to celebrate differences.

**CATHOLIC SCHOOLS WEEK** Thank yous to our Student Council members Riley Green, Grant Sodomka, Brett Persoon, Emma Coglizer, and Grayson Macleod for all of their hard work with Pancake Breakfast, Grandparents' Tea, and Student Appreciation Day.

**MOVE-A-THON** Despite the drizzle, the students eagerly participated in the Move-a-thon and challenged each other to give it their all.

**SPELLING BEE** Congratulations to Paul Zoltoski and Aria Nafziger for representing the 6<sup>th</sup> grade at the spelling bee. Paul placed 3<sup>rd</sup> in the upper grade competition. Way to go!

**COMMUNITY SERVICE PROJECT** Students should be thinking about their 2<sup>nd</sup> trimester community service projects that will be due on Monday, March 10<sup>th</sup>. Pre-approval is due Monday, February 13<sup>th</sup>. There is a service opportunity available on Sunday, March 12 from 11:00am-1:00pm at St. Joseph's in Carpinteria. Please see Mrs. Rightmer as soon as possible for details.

**CATHOLIC DAUGHTERS PROJECT** These submissions are due Monday, February 13<sup>th</sup>. This is a mandatory assignment. Please refer to the rubric that was handed out last week. Students need to adhere to the rules by filling out the entry form completely and correctly.
