

Sixth Grade News

December 02, 2016

Dear 6th Grade Parents,

I have just a couple reminders for you for next week. Remember Monday is a regular school day. Tuesday, December 06th we'll leave for Outdoor School at 8:45 A.M. The students should come to school at the usual time dressed in camp attire - long pants, comfortable shoes, and layers. Please follow the packing guidelines from the camp website/class website. We return to OLMCS on Friday, December 09th at about 1 P.M. Remember that you will be able to pick up your 6th grader at that time if you wish, instead of the 2:00 P.M. dismissal the rest of the school has.

If you have letters for me to take up, please hand those to me by Tuesday. If students have any medication, please make sure they are placed in Ziploc clearly labeled with dosage and instructions and dropped off to me on Tuesday morning. I also encourage you to order camp souvenirs on-line before we leave or give me the money to distribute to your students once up there. They may also bring a dollar if they would like to send home an Outdoor School postcard. The kids don't need to take money for anything else. Thank you so much for all of your help getting this trip together. We are all very excited and looking forward to this once in a lifetime experience.

REPORT CARDS Please find in your Friday folder the 1st trimester report card. I am so proud of all the hard work and dedication students displayed this trimester. After reviewing with your students, please sign and return on Monday.

JESSE TREE/ADVENT During the season of Advent, the sixth graders have been presenting their Jesse Tree reflections and ornaments each morning at assembly. Miss Lee has emailed and given out paper copies of the schedule. Please make sure your student is on time to assembly.

TO SEE THE STARS Thank yous to Liz Rosendale, Andrea Krautmann, Teri Green, Deanna Cervantes, Ron Macleod, and Karen Bell for chaperoning our students to Santa Ynez High School for the viewing of "To See the Stars". What an inspiring production and eye opening glimpse into our nation's history of women and organized labor!

COMMUNITY SERVICE PROJECT OPPORTUNITY Middle schools students are invited to come work at Santa's Workshop at 6-8 PM on Monday, December 5th in the Parish Hall to wrap gifts for the underprivileged local children. Please bring any gently used toys to donate. Parents are encouraged to come and help.

GIVING TREE Thank you so much for your generous contributions to the Giving Tree program. Please send in any last minute donations by Monday, December 5th.

BOOK CLUB We had a wonderful November book club meeting! After taking a December break for the holidays, Book Club will resume in January. We are still confirming the book and the date but most likely it will be the last Monday in January.

The Week Ahead

12/05 – Monday	PE/Electives
12/06 – Tuesday -	
12/09 – Friday	The Outdoor School
